Perfect scheduling

Simply enter your requirements, sit back and let our timetabling software evaluate over 5,000,000 possibilities to come up with a beautifully-balanced schedule that will not only meet your criteria but win the approval of your students and colleagues as well.

Advanced

Dividing a class, odd and even weeks, Saturday school, optional courses... our scheduling software can handle them all. Tried, tested and in constant development around the world for nearly 20 years – no scheduling task is too complex for ascTimetables.

Quick 'n' Easy

Although some teachers think asc Timetables have taken fun out of planning school schedules, most teachers agree that asc Timetables quick 'n' easy scheduling software is the answer to their timetabling prayers.

Features

- Automatic Generation**
Let the computer do the work for you
- Manual adjustments**
Once a schedule's been generated you're free to make any manual adjustments
- Verifying the Schedule**
Our algorithm quickly checks the schedule for any conflicts
- Simple data entry**
We've made the initial process as fast and easy as possible
- Mobile**
Publish your schedule and make it available to teachers and students on their mobile devices
- Data import**
You probably already have most of the data in electronic form, so all you have to do is import it
- Buildings**
ascTimetables supports classrooms in multiple buildings and can optimize movement between buildings
- Fully customizable**
You can use the software out-of-the-box or customize its individual features to your liking
- ascSubstitutions**
A useful tool for scheduling teacher substitutions, complete with notifications and printouts. Multiple users can plan substitutions/cover at the same time, at a moment's notice

Chief Xamina: Xperiential E-Learning Material. **Visionary:** Video Filming & Editing, Photography & Audio Works. **Cybaworx:** Website Design & Internet Computing. **Setups:** PC Servicing, Networking & Software Development for Business, Schools . . .

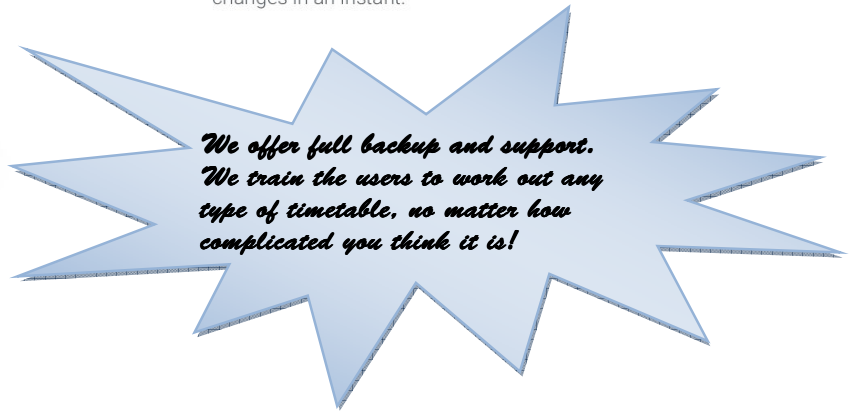

Job 36:3 *I will fetch my knowledge from afar, and will ascribe righteousness to my Maker.*

Job 32:8 *But there is a spirit in man: and the inspiration of the Almighty giveth them understanding.*

... just one more thing

Someone made a mistake? Got to do it all again? No worries. No need to count to ten – and hardly time to grab a coffee. The software automatically reschedules and accommodates for all changes in an instant.

*We offer full backup and support.
We train the users to work out any
type of timetable, no matter how
complicated you think it is!*

Printing

Once you are satisfied with asc Timetables new schedule, print it out for each class, for each classroom, for each teacher or even hand out personalised copies to individual students. You can customise fonts, layout and logos - Export to pdf, Excel or share online.
